Subject: Offer of Internship – Ethical Hacking Intern

Dear Ateeq ur Rehman,
Congratulations!

You are selected for the position of Ethical Hacking Intern at Axeronix Technologies. Your selection is based on your interview and your demonstrated interest in cybersecurity.

Internship Details:

Intern ID: AXT-INT-EH-003
Position: Ethical Hacking Intern
Duration: 8 Weeks
Mode: Remote
Start Date: 01-07-2026
End Date: 29-08-2026

Internship Overview

This internship is designed to provide practical exposure to a real-world cybersecurity environment. Throughout the program, you will receive hands-on training, mentorship, and practical assignments to strengthen your technical skills and prepare you for industrial challenges.

Responsibilities:

As an Ethical Hacking Intern, you are expected to:

- Attend all scheduled training sessions and workshops.
- Complete assigned practical labs and exercises on time.
- Participate actively in discussions and technical activities.
- Follow all ethical hacking guidelines and organizational policies.
- Maintain confidentiality of overall company information and training materials.
- Demonstrate professionalism, discipline & teamwork.

A completion certificate will be awarded to those internees who meet the requirements of the internship successfully.

Important Notice!

This internship is intended solely for educational and professional development purposes. Interns are expected to use all knowledge & tools ethically and responsibly. Any misuse of acquired skills or violation of organizational policies may result in immediate termination of the internship.

We are excited to have you join our team and look forward to supporting your professional growth throughout this internship. We wish you a productive and successful internship.

Sincerely,

Atika Athar
Director HR
